

15,000 TO MARCH FOR FUND TO-DAY

East Side Legions Will Do Bit So Our Soldiers May Smoke.

BIG NIGHT PROGRAMME

Sports and Films Join in Drive to Send Tobacco Over There.

Very nearly the high water mark of great popular demonstrations testifying to the public's interest in this Sun Tobacco Fund will be reached this afternoon when the mammoth East Side parade takes place, to be followed immediately by exercises in Union Square and at night by a musical and literary entertainment in Washington Irving High School.

No event in recent years has attracted anything like as much enthusiasm in the neighborhoods which are to furnish the personnel for the parade as to-day's series of programmes. Estimates last night of the number of persons who will participate varied between 10,000 and 15,000. Mrs. Gertrude Duncan of the Gramercy Neighborhood Association, who originated the parade idea, predicted that a record breaking demonstration will reward the efforts of the workers who have enlisted to assist in the affair.

Every phase of East Side life will be represented. With Armenian, Italian, Russian and American organizations marching, kindergartens, girls and Grand Army stars doing their bit together, mothers' societies giving practical evidence of their approval of any movement to make the boys at the front happy, settlement workers, Home Defence detachments, the Y. M. C. A., the Hebrew Educational Alliance, boys and girls' military and naval battalions, and yet other organizations cooperating, the parade will be worth going a long way to see and cheer. There will be banners aplenty, placards telling the interests of various neighborhoods in the smoke campaign, and bands, pipers, buglers and fife and drum corps.

Line starts at 2 o'clock.

The various divisions will leave their several starting points at 2 o'clock and Stuyvesant Park at 2 o'clock. City officials and other notables will review the marchers at the Lafayette statue in Union Square, and the Navy Yard band will blow a welcome, while the sailors of the Recruit line up along the deck railing to about a greeting.

The parade will move in the following order:

On to Union Square.
Division C will march from Eldridge street to Stuyvesant Park through Second and Third avenues and Fifteenth street. When the three divisions have joined, the parade will proceed to Union Square. No fewer than a thousand persons will participate in the entertainment in the auditorium of Washington Irving High School to-night. This has been arranged by the Gramercy Neighborhood Association, with Kendall K. Muesey of the National Patriotic Songs Committee and the Mayor's Committee on National Defence cooperating. Among those who will take part are Miss Mae Marsh, star of the Strand photoplay, "Poly of the Circus"; Miss Auguste Forest, John Barnes Wallis and Lyman Wells Clary, and there will be also mothers' tableaux, the Kiddies' Khorus, Russian dancers, the Paoli Zion Singing Society, the Echo Singing Society and the Police Men's Chorus. After the programme has been given the audience will dance in the gymnasium.

Indoor sports begin officially to-day. Last night the omnipotent ticker, beloved of all sporting men, sent out this: W. M. C. O. R. D. E. R. O. F. T. H. E. G. R. A. N. D. C. E. N. T. R. A. L. B. O. AND, OTHERS. THE COUNT. IN. ADDITION. WILL. ALSO. GIVE. HIS. INVITABLE. EXHIBITION. O. F. P. A. L. M. B. O. W. L. I. N. G. This exhibition will be worth while, for in addition to all the stars already named there will be almost every prominent bowler in Brooklyn present and playing eager to watch the champions' form and to see where they may gain winning wrinkles.

No scenes will be enacted to-morrow, but the public view of the preparation of the films for this Jolly's new photodrama, "Last We Forget," on the Washington farm, near Westchester avenue and Wheeler street, The Bronx, will continue to-day. Count Giuseppe Clippio turned into the fund yesterday \$100, which represents only a part of this week's receipts.

The United States Government has given evidence of an interest in the making of this Seizick war picture. Gen. Lester, in command of the camp at Yonkers, furnished a detachment of 500 troops to construct the trenches used in the battle scenes and the port authorities in this city gave Miss Jolly's permission to use the facilities at Quarantine for the filming of other scenes of the drama. Mr. Tardieu, French High Commissioner, also assisted by permitting the photographing of ship scenes on the French liner Espagne. A party to visit Miss Jolly's French village in The Bronx this afternoon will include, among others, the French Consul-General, Gaston Liebert; Col. Baron Agnold of the Italian Commission, Daniel Frohman, Harrison Grey Fiske and Dudley Field Malone.

Movie fans are planning also to go next Thursday to the Peerless Studios at Port Lee and watch Miss Kitty Gordon prepare scenes for a new picture outline for the World Film Company.

While they will accept the company's invitation to inspect the entire plant, observing the various laboratory processes used in film production, a charge of 25 cents will be made and the entire proceeds will come to the smoke fund.

At 3 o'clock to-morrow afternoon comes the big baseball game between the Labres and Bill Hogan's Senators at the former's park, Ward street and Liberty avenue, Richmond Hill. The batting order of the teams follows: Hogan's—W. Corwin, r. f.; Valentine, 1 b.; Haley, 2 b.; Remmet, 3 b.; Cullen, p.; Hallanan, s. s.; Mullaney, l. f.; Ames, c. f.; J. Cullen, c. f.; Herlihy, Lighte, CHM, subs. Labres—Leibman, l. f.; Belz, 2 b.; Ebel, c. f.; Smith, p.; Cy Corwin, c.; Alexander, 1 b.; Conway, s. s.; Daly, r. f.; Danhauser, 3 b.; Hayes, sub. Boy Scouts, Naval Scouts and 200 men of the Sixty-ninth Regiment, now at Mineola, have promised to attend, and there will be band music.

Actress Volunteers.

Mme. Yoraka, the French American actress, formerly with Mme. Sarah Bernhardt, has volunteered her services for a new war sketch written for her by Donald Dutilly, the young student who came to New York to offer his blood to Mme. Bernhardt. The sketch will be produced at a special performance in Arctic Tent, R. L. early next month, and the entire proceeds will go to this Sun Tobacco Fund. Mme. Yoraka also will play one act of "L'Aiglon" in French.

Contained in a letter which accompanied a contribution yesterday was an excellent suggestion to men who are given to the betting habit. The letter explains itself:

"The two tightest of the tightest of tight wads could not decide a golf bet. We finally decided to give your fund \$1 apiece and called the bet off. Enclosed you will find the \$2. Yours in the interest of the soldiers, Two Poor Golf Boobs."

Also a fine example was set by the members of the April term Grand Jury

in Bergen county, N. J., who took up a collection among themselves and sent in \$50.75. Some of the employees of Kinzel, Kinzel & Co., 14 Wall street, also chipped in and forwarded a contribution. Anonymous, who sent a \$20 check, is way out in Oregon. The fame of the fund reaches far. Roxmor is represented by his regular monthly donation and S. M. Meeker of Brooklyn, another regular, is again in trouble. The benefit entertainment in the Park Avenue Hotel's sunken gardens Thursday night netted \$141.11.

Remember, to-day, like yesterday, is an extra certificate day in the Schutte Cigar Stores. With every dollar purchase the patron gets ten certificates more than ordinarily. Coupons and certificates dropped in the boxes in these establishments and also in the United Cigar Stores all help the fund.

THIRD OF SHIPS DESTROYED.

Norway Heaviest Neutral Loeer in War, Says Nansen.

PHILADELPHIA, Sept. 14.—More than one-third of Norway's commercial fleet has been destroyed by Germany and present prospects indicate that if the present situation continues long the remainder will be sent to the bottom, according to Dr. Fridtjof Nansen of the Norwegian mission now in this country. He was one of the principal speakers at to-night's session of the national conference of the world's food supply being held here under the auspices of the American Academy of Political and Social Science.

"Our shipping between Great Britain and her allies was not considered with friendly eyes by the Germans," said Dr. Nansen, "and our losses have therefore been heavier than those of any other neutral nation and I believe also greater than the losses of this country until now."

SMITH ELECTS NEILSON.

NORTHAMPTON, Mass., Sept. 14.—William Allan Neilson, professor of English at Harvard University, was elected to the presidency of Smith College at a meeting of the trustees to-day.

He will succeed Dr. Marion Le Roy Burton, resigned.

Bear Mountain Boat Stops Sunday.

The Steamboat Highlander of the McAllister Steamboat Company will make her last trip to Bear Mountain for this season Sunday, September 16.

'MASSES' MAIL BAN UPHELD BY COURT

Judge Finds Magazine Has Merely Diluted Its Anti-Draft Articles.

"UNDERMINING THE WAR"

Rules Postmaster Was Correct in Withholding Second Class Mail Privileges.

A few remarks about adulterated radicalism and several pointed statements about what constitutes sedition in time of war were contained in an opinion handed down late yesterday by Federal Judge Augustus N. Hand, denying the right to second class mailing privileges. Holding that the postmaster was strictly within his rights when he denied special newspaper rates to the publishers of the periodical, Judge Hand said: "The August issue of the *Masses* was filled with glorification of those who refused to enlist and violated the law, and the September issue contained similar matter in diluted form."

Tried to Undermine War.

"In September the editor adopted a somewhat milder and less pronounced tone than in August, but continued to hold up violators of the conscription act to admiration and to say what he thought he safely could to promote opposition to the war and to undermine the successful conduct of it."

In discussing the right of the courts to interfere with the paper he said: "We are dealing with realities and not mere forms of expression, and our system of jurisprudence is neither so artificial nor impotent that the objects of the espionage act can be defeated by indirect methods."

"It is always to be remembered that the *Masses* is not attacking a mere party

programme or executive policy but is seeking to undermine those means which the nation adopted to protect the people of the United States as well as civilization itself from the assaults of a powerful foe after a declaration of war made by an overwhelming majority of both houses of Congress.

The *Masses* case is now an involved one. The August issue of the paper was refused by the Postmaster as in violation of the espionage act, and an appeal on the matter is now pending. This is the reason for the "dilution" of its radical sentiment. When the milder September issue was ready for mailing the publishers were informed that the second class privileges had been denied because of their failure to issue their paper at stated intervals.

They blamed this situation upon the postmaster, who had held the previous issue up, but Judge Hand contends that the holding up of the periodical was their own fault and that they must suffer the consequences.

Earl B. Barnes, Assistant United States Attorney, upheld the postmaster's rulings in both cases.
